

Connecticut

Certified Managed Care Program

Fast facts

- › Voluntary
- › Employee choice state
- › Genex certified in 1995
- › Genex is the certified entity, the employer files for its medical plan utilizing the state-approved Genex program
- › CorVel and Coventry are approved network partners
- › Employee must treat within the network unless the program cannot provide a provider in a specified specialty
- › The employee risks forfeiting their compensation benefits, subject to order of the commissioner, if they seek treatment from an out-of-network provider
- › Employer is responsible for a safety committee if there are 25 or more employees and a RTW policy for more than 50 employees

Certified managed care helps bring a cooperative team approach to the delivery of health care in the workers' compensation environment. The Genex Certified Workers' Compensation Managed Care Program (MCP) allows you to leverage the benefits of a certified MCP while utilizing our proven expertise in disability management. The Genex Certified MCP was designed to meet all of the criteria of Administrative Rules. Let us work with you to enhance your current program — and realize the many benefits to employees, employers, and payers:

Employee benefits

- › Immediate, toll-free access
- › Choice of occupationally focused physicians
- › Case managers who provide understanding of treatment and recovery options
- › Internal dispute resolution
- › Goal of return to work

Employer benefits

- › Immediate notification of injury or case/claim
- › Occupationally focused network
- › Highly skilled case managers who continually monitor cases and provide ongoing communication
- › Internal dispute resolution with a goal of increased employee satisfaction
- › Structured return-to-work programs

Payer benefits

- › Timely reporting
- › Early case intervention when needed
- › Internally developed guidelines to assure that the right resources are deployed at the right time
- › Proactive communication between the Genex team of clinical experts and payer's staff

Fast facts, cont.

- › The Genex plan is available in all counties. Each employer plan is individually certified according to the number of network providers in prescribed specialties in a 25-mile radius from the employer's business location.

Plan administrator

Kim Hudson
888.464.3639, x15903
